AKU-EB

MIDDLE SCHOOL PROGRAMME

Gateway Towards Lifelong Learning

DEVELOPING 21st CENTURY SKILLS

MSP projects focus on developing essential competencies, often referred to as the 21st Century Skills. These skills are deemed vital to success in school years and beyond. These competencies include:

Listening, Reading and Observation Skills

Information Gathering

Communication Skills

Interpersonal Skills

Critical Thinking and Problem Solving

Responsibility

Teamwork

Creativity and Innovation

AKU-EB MSP promotes the UN Sustainable Development Goal 4

What is Middle School Programme?

AKU-EB offers a Middle School Programme (MSP) for grades 6th-8th. To implement the MSP, our schools engage globally accepted approach known as Project-based Learning (PBL). Through MSP, students benefit from internationally recognised interdisciplinary projects, assessing the 21st Century Skills.

AKU-EB public and private schools have successfully proven that MSP is easily embedded in the schools' annual academic programme.

Programme Benefits

Students

- Shift towards conceptual learning
- Engage in deeper acquisition of knowledge and skills
- Experience profound intellectual & emotional development
- Become independent learners
- Receive AKU-EB certificates and feedback report

Teachers

- Receive AKU-EB MSP trainings
- Master the art of assessing 21st Century Skills
- Make the classroom extraordinarily engaging
- Become AKU-EB PBL certified teacher

Schools

- Receive MSP booklets with 6 interdisciplinary projects
- Step-by-step teachers' guide
- Internationally validated rubrics for assessment
- Hands-on and experiential teacher training

Why Project-based Learning?

Project-based Learning (PBL) is a teaching method through which students become active learners, engage in real-world projects, and acquire deeper knowledge. PBL is the foundation of our MSP, helping schools foster sense of purpose and leadership in young learners.

About AKU-EB

AKU-EB has been nationally and internationally evaluated for implementing international best standards and practices. The Board offers high-quality examinations for Secondary School (grades 9th and 10th - SSC) and Higher Secondary School (grades 11th and 12th - HSSC/ FSC) qualifications for public and private schools across

Pakistan. Through AKU-EB best international practices in assessment and state-of-the-art e-marking, our results are **valid, reliable, and fair**. Thus, AKU-EB qualifications are **credible** and **highly trusted** by the public and private sector universities.

AKU-EB affiliated schools benefit from a government-recognised AKU-EB syllabi where learning outcomes are aligned with cognitive levels.

Globally, AKU-EB is the only board to provide comprehensive School Feedback Report to its affiliated schools (based on students' performance in the AKU-EB examination).

AKU-EB is the first private university led trans-provincial board (awarding body) in Pakistan which aims to shift teaching and learning away from rote learning and move towards higher order thinking to prepare students for higher education and lifelong learning.

*AKU-EB qualifications **DO NOT** require IBCC equivalency*
