DEVELOPING

21st CENTURY SKILLS

PSP projects focus on developing essential competencies, often referred to as the 21st Century Skills. These skills are deemed vital to success in school years and beyond. These competencies include:

-  **Information Gathering**
-  **Listening & Speaking**
-  **Visual Expression, Reading & Writing**
-  **Working Together**
-  **Responsibility**
-  **Problem Solving**
-  **Not Giving Up**

4 QUALITY EDUCATION

AKU-EB PSP promotes the UN Sustainable Development Goal 4

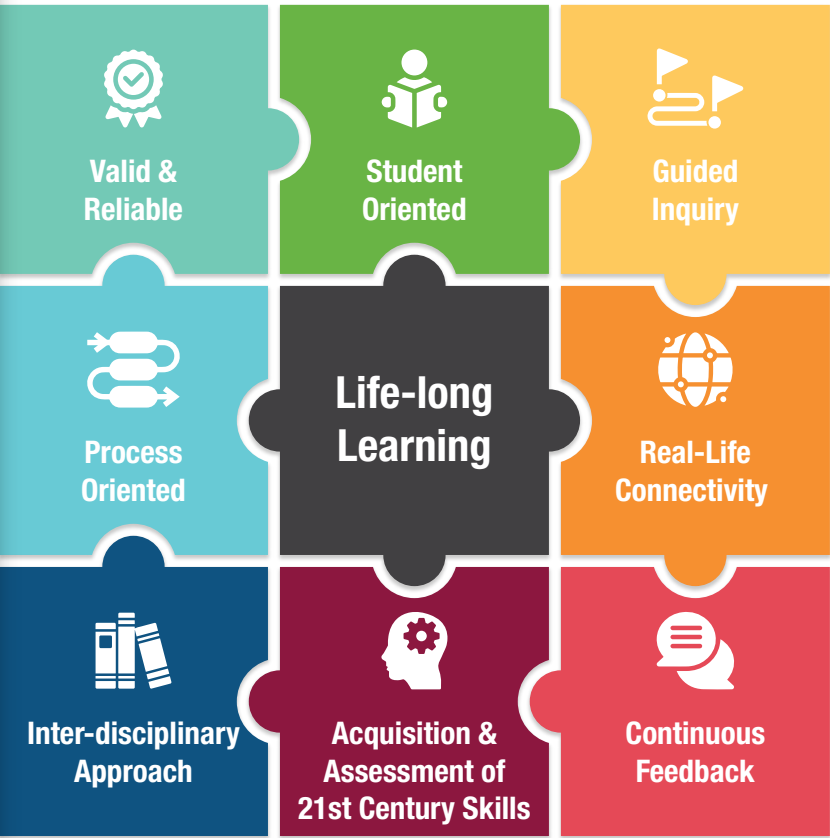

What is Primary School Programme?

AKU-EB Primary School Programme (PSP) introduces authentic, interdisciplinary Project-based Learning (PBL) that ensures teaching, learning and school-based assessment of competencies for upper primary, Grades IV and V.

The primary aim of PSP is to integrate values, attitudes and competencies and develop a positive and inclusive classroom environment. It adds value to the schools’ curriculum by providing an innovative and engaging learning experience for the students.

Project-based Learning Model

Why Project-based Learning?

Project-based Learning (PBL) is a teaching method through which students become active learners, engage in real-world projects and acquire deeper knowledge. PBL is the foundation of our PSP, helping schools foster sense of purpose and leadership in young learners.

Programme Benefits

- Student-centric approach of teaching and learning
- Development and assessment of competencies and higher order thinking skills.
- Encourages active engagement with local context
- Preparing students for SSC and beyond
- Improvement in classroom and school culture

PBL Themes

-  **STEM**
-  **FAME**
-  **Arts and Culture**
-  **Entrepreneurship**
-  **Physical Health and Nutrition**
-  **Mental Health and Resilience**
-  **Pluralism and Ethics**
-  **Global Citizenship and Community Engagement**
-  **Climate Change and Environmental Literacy**
-  **Digital Literacy**

In addition, AKU-EB offers innovative Primary School Programme (grades 4th and 5th - PSP) and Middle School Programme (grades 6th, 7th and 8th - MSP) with an emphasis on project-based experiential learning that focus on preparing students for secondary and higher secondary studies.

All affiliated schools benefit from AKU-EB syllabi where learning outcomes are aligned with cognitive levels.

Globally, AKU-EB is the only board to provide comprehensive school feedback report to its affiliated schools (based on students' performance in the AKU-EB examination).

AKU-EB is recognised nationally and internationally for implementing international best standards and practices in assessment. The board's rigorous and forward-thinking approach prepares students for higher education, equipping them with critical thinking and problem solving skills essential for lifelong learning in an ever evolving world.

About AKU-EB

AKU-EB is the first private university led national board (awarding body) in Pakistan. The Board offers high-stake examinations for Secondary School (grades 9th and 10th - SSC) and Higher Secondary School (grades 11th and 12th - HSSC/ FSC) qualifications for public and private schools across Pakistan.

Through AKU-EB state-of-the-art e-marking, our results are **valid**, **reliable**, and **fair**. AKU-EB qualifications are **credible** and **highly trusted** by the public and private sector universities.

*AKU-EB qualifications **DO NOT** require IBCC equivalency*
