**Subject:** AKU-EB introduces the Jenabai Awards

I am pleased to inform our schools' leadership that the AKU Examination Board has launched an esteemed initiative as a part of our commitment to foster academic excellence and quality education across Pakistan. It is with a great pride that I announce the inception of the Jenabai Awards scholarship for AKU-EB students across Pakistan. The scholarship is directed towards recognising and honouring the outstanding academic achievement of our students, and to support their future aspirations.

Named after the esteemed Jenabai Hussainali Shariff Family, the Jenabai Awards comprise of 100 merit-based scholarships covering the annual examination fees for three consecutive grades: SSC II (Grade 10), HSSC I (Grade 11) and HSSC II (Grade 12). Starting from 2024, the scholarship is awarded on the basis of students' outstanding performance in SSC I (Grade 9) examinations (see Annexure 1). This scholarship is a hallmark of our collective dedication to ensuring that our students have access to quality education that equips them with skills, knowledge and competencies necessary to thrive in an ever changing world.

The Jenabai Awards will empower students to embark on a journey that unlocks their pathways to the successful future they aspire to achieve. This prestigious initiative is an opportunity to shape their future and the world around them.

I urge you to share this exciting opportunity among your faculty and student body. Details regarding the Jenabai Awards can be found on the AKU-EB official website and social media pages.

AKU-EB is grateful for your partnership and dedication in fostering academic excellence and empowering students to achieve their full potential. It is through your unwavering support and collaboration that the transformative impact of the Jenabai Awards will be realised. I express my utmost gratitude to your leadership and your team members, including the esteemed teachers and staff at your school for your continued support.

*AKU-EB gratefully acknowledges the Jenabai Hussainali Shariff Family's generosity in funding the Jenabai Awards and their trust in the quality of education that AKU-EB provides across Pakistan.*
