Announcement

The Aga Khan University Examination Board (AKU-EB) had announced the results of the Annual Examinations 2021 on September 21, 2021 following the Federal Government directives and guidelines, as was communicated to our schools via email. Based on the same, the scores of the subject examinations which were not held, were not shown on the transcript. These subject examination scores, however, were used to calculate the total scores and grades reported on the transcript.

AKU-EB received requests from many candidates who passed the HSSC II Annual Examinations 2021 in the Pre-medical group for their HSSC Part I elective subjects marks for admissions into the medical colleges. AKU-EB is aware of the requirement and making arrangements for the same.

We are glad to inform you that the results of the **PRE-MEDICAL STUDENTS ONLY** with **Part I** elective subject scores will be available on the AKU-EB website (<https://examinationboard.aku.edu/services/Pages/online-results.aspx>) on **October 29, 2021 at 11 AM**. The result slips will be issued and dispatched to schools in due time.

Gilgit-Baltistan Only: Nominations Forms for Admission into Medical Colleges

At the behest of the Aga Khan University Examination Board, the Director, Education (Colleges)/ Secretary Nomination Board, Gilgit Baltistan has kindly agreed to extend the deadline for submission of the nomination forms. Students are advised to submit their forms along with a copy of an online version of the revised result slip to the Directorate of Education within the next few days. The original result slip will need to be presented to the Directorate of Education upon receiving it from the board. We request schools to facilitate candidates in accessing their online results and print the copy of transcripts as required. The AKU-EB office in Gilgit will also facilitate students for the same.

Sincerely,

Dr Shehzad Jeeva
Director, Aga Khan University-Examination Board
